

Operation Raincheck

Three important areas of general aviation operations will be covered by representatives of these phases of daily operations. There will be an additional opportunity to visit the control tower and the TRACON facility as well. Please be sure to have a picture ID if you plan to visit the TRACON.

Directions: Please enter the main terminal and proceed towards security. Just prior to the security checkpoint is a corridor to the right for the green conference room. There will be a wings sign in the hallway as you approach security. Proceed to the right a few steps to the conference room.
